Honorable Franklin Floete
Administrator
General Services Administration
Washington 25, D. C.

Dear Mr. Floete:

I want to tell you how grateful I am, not only for your personal participation in our Cornerstone Ceremony at Langley on 3 November, but also for the splendid work which many members of your Staff did for us on the Ceremony preparations.

STAT

[redacted] tells me that Mr. Ralph Bowers, Project Engineer on the building, and other representatives of Public Buildings Service, Region III who are on the site were of great assistance and offered many excellent suggestions. I would like, also, to commend Mr. F. W. McGrail, Jr., Buildings Manager of the Columbia Pike Group, who provided many valuable services.

The success of the Ceremony was due in no small part to the effort of you and these men, and I want you to know how much we appreciate it.

Sincerely,

Signed

Allen W. Dulles
Director
